

## **We run a varied programme of events throughout the year.**

There are usually two ‘Art & Culture’ holidays, at least one abroad and a number of day trips by coach.

We also organise a Luncheon Club, where you can enjoy a light meal and a talk on a museum-related topic.

We have members-only social gathering, one in the Summer and another to lighten the dark days of Winter.

Then there is our popular annual public lecture, named from the Gallery’s founder, the Baron de Ferrières
